PRE ASSESSMENT /
ASSESSMENT

PRE ASSESSMENT/
ASSESSMENT

At each stage an assessor will determine if the candidate has "Met Criteria" or "Not Yet Met Criteria

Qualified Beginner/Youth Award Umpire

Active in games and development opportunities for a "Beginner Award Umpire"

Following the course umpires will either be identified as ready for a mentor or should seek training/game opportunities to practice. Once ready they should apply to their league secretary for a mentor: Mentoring application form.

The mentoring phase has no fixed length. The mentor will look for the learner umpire to arrange a number fixtures or opportunities to observe them umpiring with each session having clear goals and feedback given. The recommended minimum number of mentoring sessions is 3.

Once the mentor believes that sufficient progress has been made and there is a good chance of meeting the assessment criteria a Pre-Assessment is arranged.

At a pre-assessment a qualified assessor will determine if a candidate demonstrates the skills and criteria required to be successful at an assessment. If they do, then they will be asked to apply for their Beginner award assessment and practical assessment. If not, they will be given feedback to work on with their mentor.

At assessment a learner will be identified as "Met Criteria" and be given the Beginner Award or not yet met criteria.
