## Disclosure and Barring Service: Check for England Netball Volunteers, and Document Verification

### DBS Check for England Netball Volunteers

There are several roles within netball in Cambridgeshire County Netball Association and our member Clubs which require the volunteer to have an Enhanced and Barred List check, or an Enhanced Check.

These roles include: Safeguarding Officers, Lead Coaches, Primary Carers, Team Managers, Assistant Coaches, and Mentors.

Information and guidance can be obtained by contacting [Naomi Zielińska](#), CCNA Safeguarding Officer, or [Janette Bowden](#), Cambridgeshire Netball Development Officer. You may also visit the [England Netball website](#).

### CCNA Document Verifiers

Naomi Zielińska and Janette Bowden are qualified England Netball Document Verifiers working in Cambridgeshire.

You should contact either one of them to discuss your role within netball in our

County, and which level of check is appropriate for you. They will be able to provide you with all the information you need to begin your application for a DBS check.

Once you have begun your application online, you will need to meet with Naomi or Janette so that they may verify your identification documents. Please contact them in advance to arrange a convenient time and place to meet.

Naomi and Janette can often be found at netball fixtures and events around the county. They are both happy to offer any advice at the courtside, so stop them for a chat if you see them.
