

Cambridgeshire U15 Player Development Programme

SEASON INFORMATION 2022 - 2023

England Netball require each County to run a programme of 30 coaching sessions throughout the year for athletes selected into the U15 tier of the Performance Pathway.

In Cambridgeshire the U15 coaching sessions are based in the sports hall COMBERTON VILLAGE COLLEGE. The first session is on **Monday 3rd October at 5pm**. **There will be a short parents' meeting at 6.45pm so that the Head Coach can introduce herself and answer any questions.**

Athletes in the U15 Academy will be working towards being selected to go forward into the Saracens Mavericks VNSL performance programme, which is the next step of the Performance Pathway towards playing for England. To achieve this will mean a lot of hard work and commitment by you the player, and we the coaches are here to support you all the way. Key to your progress and development is fitness particularly strength and conditioning, as well as netball skills/techniques and game awareness, application and effectiveness.

The standard of netball being played in Cambridgeshire is improving year on year and we are seeing an increasing number of U15 Player Development Programme athletes being selected into the Saracens Mavericks Player Pathway. Much of this is due to the work athletes put in outside of our sessions particularly with strength and conditioning. As this is such an essential component of being a performance athlete, we are keen to build on this success and improve this aspect of the programme for both U13 and U15 athletes.

The information below is designed to help you prepare in advance of the first session in September.

CALENDAR OF TRAINING DATES

A copy of the training calendar schedule is available to download at www.cambscna.org/performance where you will also find the Head Coach contact details. Please keep this information handy as you will need to refer to it during the season. The Head Coach will be Sarah Lawson, assisted by Julia Kay. There will also be other positional specialist coaches attending throughout the season.

Match Days – This is where we bring all Player Development Programme athletes together and play matches, adding to your competition development, as it is very important to work to apply what you learn into your game play. These are a mixture of matches and tournaments involving other counties in the East region. Match day information will be confirmed to you during the season.

DATA SHEET AND CONSENT FORM

We will only use your personal data for the purposes of communicating information to you throughout the season and the information will not be passed onto any third party without your prior consent.

Please follow the link below to indicate that your daughter wishes to accept her place into the U15 squad. Please submit this information by **Saturday 1st October 2022**.

Reference: Please insert player's full name as the reference helps us identify receipt of payment.

TRAINING SESSIONS

The training will last 2 hours between 5 and 7pm. Athletes need to be signed out from the sports hall on departure in order to comply with child protection procedures. Please ensure you advise the Head Coach if anyone other than parents will be signing your child in or out. The sessions will be focused on developing netball skills, strength and conditioning, landing, and ball skills.

What to wear:

- Sports trainers (not fashion trainers)
- Dark coloured shorts or skirt and Academy training top or white t-shirt.
- Warm clothing to arrive in and put on at the end of the session.

Bring :

- Minimum 1 litre bottle of water or diluted squash and a protein snack to eat after session.
- A netball with your name marked on it.

FUTHER INFORMATION FOR PARENTS

A copy of this information sheet and all calendars will be available to view online via the Cambridgeshire County Netball Association website. www.cambscna.org/performance

As it is all coaches' preference to talk to parents and players face to face, we would ask that if parents during the season do wish to speak to Head Coaches that they let them know in advance. Often a good time to do this is when the athletes first arrive and are warming up.

E-mail is used to formally communicate with parents and athletes via the contact e-mail address given in the registration form. Please ensure that you communicate any changes to your contact details as this is required in case of emergency situations and any change in medical conditions such as illness or injury. The email address that you provide us with should be one that is frequently viewed so that important information is not missed.

WHEN CONTACTING US BY EMAIL PLEASE ADD THE ATHLETE'S NAME AND SQUAD IN THE SUBJECT FIELD AS THIS WILL ALLOW US TO FILTER THE EMAIL TO THE CORRECT COACH OR ADMINISTRATOR (eg. Shelly Ritchie U13 North)

We also use HEJA APP which connects with the coaches. This is a useful tool for short notice communication. Please sign up by following this link - <https://heja.io/download/DA122447> If you need to contact your daughter's Head Coach to report an absence, please use this method.

ORDERING ACADEMY TRAINING TOPS & HOODIES

We are currently changing our supplier and will provide the ordering details over the next few weeks. We will communicate the link for ordering kit and via the Heja APP.

SELECTION/DE-SELECTION POLICY

I would like to draw your attention to this document which can be viewed at www.cambscna.org/performance

JOINING A CLUB AND MEMBERSHIP TO ENGLAND NETBALL

Athletes within the Performance Pathway are required to join a netball club and become a Member of England Netball. This provides insurance and other benefits such as discounted tickets to International events. If you are already a member of a netball club you should already know your membership number and will need to specify it on your registration form.

MEMBERSHIP TO ENGLAND NETBALL – It is now a parent/carer’s responsibility to enrol a junior with England Netball. This must be completed by the first training session in September. Please speak to your daughter’s Junior Club Coach if you have any questions about this process.

If you are not a member of a club you will need to join one over the summer. Please visit the following Cambs CNA webpage to view the list of Clubs in Cambridgeshire.
